

ExecConnect

ExecConnect is an exclusive group of local senior-level executives, business owners, and community leaders. The primary mission of ExecConnect is to provide a confidential forum that harnesses the energy of metro Denver's most successful professionals in a private, confidential environment.

Members will be selected through a careful vetting process managed solely by ExecConnect founders. Factors such as company revenue, influential relationships, and the professional's commitment to community involvement will be considered. Total membership will be capped to ensure maximum return on investment for all members.

Each ExecConnect member is expected to benchmark business success, engage in candid business-related discussions, and share appropriate contacts and business intelligence to help fellow members achieve tangible results. All members will agree to sign a Membership Rules document that confirms their commitment to their expected level of participation.

noted membership benefits:

1. Proprietary process to facilitate personal introductions to other members and targeted outside people of influence
2. The collective experience and intellectual capital of the group to better identify opportunities and minimize risks
3. Regularly scheduled, non-competitive, small group Roundtables designed to accelerate business and professional growth
4. One-on-one coaching from **dovetail solutions**™ founders regarding:
 - Navigating the local political environment
 - Strategic community investment
